

Notes from Workforce Development Committee Sept 21, 2016

Robert Peacock, Mike Murry and Jene Bridgewater met on Sept. 21, 2016

Discussion was held regarding getting Nick Ison (Community Engagement Manager) from Goodwill for Indianapolis to come to the HR monthly Forum and speak regarding their program. Mike Murry and Jene traveled to Indianapolis last spring and were very much impressed with the program. They both would like to see this program come to Scott County.

Robert is going to try and get Nick to come to the HR meeting in either October or November.

This would be a great way to get people who have been out of the workforce for whatever reason, to ease back into the workforce with training, coaching, and great supervision.

Next meeting is Oct. 19th at Noon at the LifeLong Learning Center.
