

Transportation

Desired Recovery Outcome: All Scott County Residents will have access to and knowledge of the transportation system available in Scott County.

	Strategy	Measured Outcome	Who is Responsible	Timeline (Start/Projected Completion)	Status	How We Know We're Successful
Step 1	Survey Scott County residents, service providers and those in recovery about their needs related to public transportation	A survey will be completed	Shannon Carroll	Summer 2015	Completed with over 200 responses gathered	A Demand Response Service has been created by (SITS) Southern Indiana Transit System based upon the survey responses.
Step 2	Southern Indiana Transit System utilize survey results in updating the Scott County route	A new route will be created	GHSC Leadership Team, SITS Leadership	Fall 2015	Completed with a new route generated. New route began July 2016. November 2016 it was determined the route was not being utilized.	A Demand Response Service has been created based upon service not being utilized by community.
Step 3	A comprehensive advertising campaign will take place to inform Scott County residents of the new transportation route	Newspaper ads, Social Media Posting, pocket cards, CEASe presentation, email, Service Providers will ride with their clients.	GHSC Coalition	Fall 2016	In progress and ongoing	
Step 4	Bus Stop signs will be permanently posted at each stop	Bus stop signs will be visible at each stop on the route	Health Department, Lori Croasdell, LeAnn Osterhoudt, SITS	Fall 2016	Discontinued	
Step 5	Service providers will purchase tickets to provide for their clients	10 service providers or agencies or churches will report buying and distributing tickets to Scott County residents	GHSC Coalition	Fall 2016	In progress and ongoing	

Housing

Goal: All Scott County Residents will have access to and knowledge of safe and affordable housing

Strategy	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
Develop Housing Task Force to address housing needs of homeless and vulnerable populations	A Housing Task Force is developed that addresses housing needs of homeless, people in substance abuse or mental health treatment, people with felonies and other disparate groups.	Get Healthy Scott County will work to initiate a new Task Force to work directly with housing, or a branch of GHSC to address housing.	By October 1, 2017 a leadership team will be identified to begin the Housing Task Force. By the conclusion of 2017, a Housing Task Force will be in place, functioning and working on housing needs in the county.	Not Yet Begun	October 1st - a Leadership Team for the Housing Task Force will be named and begin their work. By the end of 2017, a Housing Task Force focused on housing will have met at least two times and show effort toward naming housing problems and plans to address the problems.
Work with local government to address needs of renters to ensure safe and affordable renting solutions	The Housing Task Force will research policies and procedures to hold landlords accountable for rental properties at the same time protecting landlords from destructive renters.	The Housing Task Force	By Dec. 31, 2017, the Task Force will begin its resesarch. By early 2018, the Task Force will meet with local gov't. officials presenting suggestions of policies and procedures to hold landlords accountable as well as protecting both renters & landlords. New ordinances are local law sometime in 2018.	Not yet begun.	Policies and procedures are researched by January 31, 2018. Meetings with local officials are arranged and policies presented. New ordinances or policieis protecting both renters and landlords are in place & functioning in Scott County by June 1, 2018.

Support Groups

Goal: There will be 2 recovery-oriented support groups happening every day in Scott County

Strategy	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
Recovery Groups	A variety of recovery groups offered in multiple locations offered at diverse days and times, including the jail.	Lori Croasdell and Jamie Raichel	Fall 2016	Ongoing	At least 4 recovery-oriented support groups happening in Scottsburg and Austin each week (17 Support Groups currently meeting each week)
Peer Recovery Coaching	Hold a minimum of one PEER Recovery Coach Training each year	Assist PEER (Mental Health America of IN) with recruitment of volunteer to take training	Fall 2016	Oct 31-Nov 4, 2016 (4 Scott Co people trained). May & June 2017 (18 Scott Co people trained).	Scott County residents are enrolled in classes and actively coaching in the county. Two PEER Recovery Coach Trainings have taken place between Fall 2016 and spring 2017.
More Sober Socialization in the Community	At least one sober social activity per quarter	Michelle Korty, Lori Croasdell, people in recovery, Local pastors and churches	Christmas 2016	Met and Ongoing	First event took place and a collaboration of partners and resident participation
Churches/ Organizations advocate for recovery	Information about services, support groups, and treatment	Local pastors, churches, Scott Area Ministerial Association	Ongoing	Met and Ongoing	Information was shared

Job Training

Goal: We will have a healthy work force that is able to find appropriate skill-level jobs

Strategy	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
Assessment is completed to identify employers willing to take ex-offenders & those in Recovery	A simple database or list made of employers who are willing to work with people needing a "second chance" for employment.	WorkForce Development Committee of the Scott County Partnership's Board of Directors will assemble this information.	Assessment & subsequent list will be completed by December 31, 2017.	Not yet begun	A list/database will be available for those who work with those needing second chances to know which employers will provide this opportunity.
Workforce Development Committee will work with MASP & HR Forum to identify programs for job skills tng, coaching & placement.	A list of potential job training programs including job coaching & placement, that would fit Scott County is researched and developed. This list is considered a starting point for next steps of identifying resources needed to bring said programs to Scott County.	Workforce Development Committee will provide leadership for this outcome.	Research for this outcome will begin fourth quarter of 2017 with the list of possible job training options available for review and next steps by January 31, 2018.	Not yet begun.	A researched list of possible job training programs for Scott County is available for follow-up with next steps - to secure the programs and initiate in Scott County.
Goodwill's "Commercial Services" program will be reviewed & considered.	HR Forum and Workforce Development Committee will review & consider "Commercial Services" for Scott Co.	WDC will ensure the HR Forum carefully reviews and considers this program.	April, 2017 - A group of manufacturers will travel to Indy to visit "Commercial Services" by September 21, 2017.	Date has been confirmed and trip will take place.	The trip to Indianapolis will take place with manufacturers. Outcome of the discussion and will of the group will be made public after the trip.

Multiple Paths for Treatment & Recovery

Goal: Every person affected by substance use will have appropriate knowledge and access to treatment.

Strategy	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
Create community awareness and stigma reduction regarding substance use disorder, mental health, and availability of appropriate mental health and substance use disorder	Hold continuing community event(s) to provide education and awareness regarding substance use disorder, mental health, and treatment.	GHSC, community members who know what will draw in participants, donations from area businesses (food, prizes), professional speaker, speakers in recovery.	Hold at least one community-wide event per year	Ongoing	An annual event was held. Recovery Community with Community Partners is taking the lead.
Determine the number of inmates who use substances and whether they are engaging in treatment after release from jail	Survey how many substance-using inmates are already following up with treatment. How many would be interested in services immediately following release; survey statistics from LifeSpring	Sheriff's office, judge, probation, jail staff, client, client's family/ supports, LifeSpring, Centerstone		Currently - Lifespring is in the jail 40 hours/week. Also involved in Recovery Works program.	Report from Sheriff/ LifeSpring quarterly
Advocate with community partners to create more options for MAT (medically assisted treatment)	Conversations take place with organizations who can provide these services	GHSC, community members, CEASE	Current	Ongoing. Formed a "Recovery Committee" within Get Healthy Scott County Coalition	Conversations around advocacy will take place on a regular basis.
Create awareness and promote services for alcohol and tobacco, specifically pregnant women	The number of babies born with fetal alcohol syndrome. Use of Joan's Babies curriculum.	Data from Scott Memorial Hospital. Help from DCS to reach out to the mothers. Local Docs, WIC	Spring of 2018	Ongoing	Services and Programs will be established. Trainings are provided and data collected before and after.
Multiple Access points to treatment	Conversations take place with organizations who can provide these services by creating a standard reference guide to refer people to help in Scott County	SCHD, 211, Police Dept., Jail, One Stop Shop, Scottsburg and Austin LifeSpring, Scott Memorial Hospital, Scottsburg and Austin Centerstone, physician offices.	2018	In progress	Each organization will utilize the standard method for treatment referalls

Programming, Education/Prevention & Support for Families & Community

Goal: All Scott County residents will embrace a culture of recovery for individuals and families

Strategy	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
Develop comprehensive community resource document	Quarterly review for accuracy. Widely distributed in Scott County thru print and online. Make the Scott County Resource Comprehensive & User-Friendly.	Lori Croasdell, GHSC Coalition, LeAnn Osterhoudt	Goal met	In progress	Comprehensive resource document will be developed, regularly updated, and readily available.
Survey support group needs for families in Scott County	Develop short (< 5 questions) survey for paper and online. Receive back 100 surveys, evaluate for data trends (DCS, CASA, Probation, FB, Faith Community).	Members of GHSC Coalition (LeeAnn Osterhoudt & Tammy Walker)	31-Jan-18	Not Yet Started	Survey developed. Baseline data obtained.
Create and execute a comprehensive positive social norms campaign	Channels: Recovery Wall, Video Campaigns, Conversation starters, Website, Speaker-led events, social media marketing.	CEASe, Scott County Partnership & GHSC Coalition	Goal met	In Progress	The social norms of the community will be more positive in the county.
Engage the faith community to be a resource-leader	Host a twice-annual round-table forum for clergy and church leaders re: resources available and how they can refer (Community Open House); update and distribute Community Resources	GHSC Coalition	Ongoing	In Progress (Developed Resource Packet for pastors and church leaders; was distributed to SAMA in August 2017)	Attendance/ participation from Clergy/ Churches and Churches start utilizing resources with their congregations.

Youth

Goal: Every child and teen in Scott County will have access to prevention, intervention, education, and recovery services

Strategy	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
Increase the number of youth recovery support groups	Offer 1 recovery group per week in Austin and Scottsburg, such as Celebrate Recovery's "The Landing" for children/youth	CR trained individuals, Jamie Raichel; trained volunteers	By January 2018 have youth groups started and by June 2018 have second group started	In process	By June 2018, two youth recovery groups will be up and running.
Facilitate Sober Friends Youth Activities in Churches, YMCA, and other agencies that provide fun, safe things for youth to do.	A minimum of 4 sober friends youth activities per year	Purdue Extension, DFC Coordinator, School Counselors, church youth ministers.	By December 2017 have at least 1 sober friends youth activity on the calendar.	In process. Weekly youth activities took place at Hope To Others through Summer break 2017.	By December 2017, we will have put four sober friends activities on the 2018 twelve month calendar
Organize and train a county-wide youth leadership coalition of diverse cross-section of high school students to facilitate evidence-based substance abuse prevention programming.	To have a group of up to 6 students from each high school selected and trained	DFC Coordinator, CEASE Coordinator, TLC Coordinator	By December 2017 have the students selected.	In process.	By December 2017, we will have a maximum of 12 students selected and begin youth leadership coalition training in January 2018.
Utilize the Youth Leadership Coalition to facilitate evidence-based substance abuse prevention and education programs among elementary school students in the county.	To have the student leadership coalition trained in "Kids on the Block" and/or other evidence-based youth-led programming.	DFC Coordinator, CEASE Coordinator, TLC Coordinator, Michelle Korty	By March 2018 have the students trained to deliver programming.	In process.	By March 2018, we will have the students trained to begin delivering the programming to the county's elementary and middle school students.

Communication

Goal:

Steps/Objectives	Measured Outcome	Who is Responsible	Timeline	Status	How We Know We're Successful
1. Prepare talking points of strategic plan.	Talking points will be identified.	Leadership Team	Jun-17	In progress	Talking points are agreed upon.
2. Prepare presentation of strategic plan.	The presentation will be developed by an individual or small group.	Leadership Team	Jun-17	In progress	Presentation is developed.
3. Create list of people and places to whom we will present the strategic plan.	Potential list of people and groups to whom the presentation should be given will be developed.	Leadership Team	Jun-17	In progress	List of targeted people and groups to hear the presentation is made.
4. Recruit volunteers from GHSC to be presenters of this information/presentation.	Volunteers will be recruited to be presenters.	Leadership Team	Jun-17	In progress	Volunteers are recruited.
5. Presenters rehearse presentations and practice in front of GHSC membership.	Presenters will perfect their presentations via rehearsals.	Leadership Team	Jul-17	In progress	Volunteer presenters perfect their presentation.
6. Presentations begin and response to presentations is tracked.	The presentations will be given throughout the community and the response to the presentations will be documented.	Leadership Team	Aug-17	In progress	Presentations are given throughout the community and we have documented responses.
7. Community Forum	Community Forum will be held mid to late September.	Leadership Team	Sep-17	In progress	The Community Forum happens.
